

Celebrating 70 years of Conservation!

900 Fairground Dr. Suite B
Paulding, Ohio 45879

Phone: 419-399-4771

Dear Local Business,

First off, I would like to extend my sincere thanks to past supporters of the Paulding Soil & Water Conservation District 5th Grade Field Day. The support received from your sponsorship helps our office provide every 5th Grader in Paulding County a day filled with valuable hands-on activities and learning on a variety of agriculture and conservation topics arming them with the knowledge of how they can be good stewards of the land.

Our 2019 Field Day was an amazing success with wonderful presenters, volunteers, topped with amazing weather!! Now that our 2019 event is in the books, we are planning for our 2020 5th Grade Field Day at the Paulding County Fairgrounds and the Black Swamp Nature Center. We are seeking sponsorships for this event which will impact over 300 students from all of Paulding County's school districts and homeschool groups. Each student will receive a commemorative 5th Grade Field Day t-shirt with each sponsor's name listed on the back along with a drawstring bag to remember the day.

Your sponsorship will be used to cover the costs for this large event which include cost of lunches, presenter morning refreshments, mileage for presenters, commemorative items and t-shirts for students, teachers, and presenters. This is a great way to advertise for your company or business. Each sponsor will receive a group photo of all the students participating in this event, t-shirt, and a signed thank you card from the students.

Enclosed with this letter, you will find a brochure detailing the field day event and a sponsorship form as well. Feel free to contact me at 419-399-4771 should you have any questions!

Sincerely,

Patrick J. Troyer

District Technician/Education Specialist

In cooperation with the Board of County Commissioners: Roy Klopfenstein, Tony Zartman, Mark Holtsberry

Serving to: Promote the wise use of our natural resources in order to enhance the environment and quality of life for the people of Paulding County.
